EFFORTLESSLY ELEGANT

EFFORTLESS ELEGANCE, TRANSFORMATIVE STYLE.

Luxora™ Shower Wall Panels & Surrounds are an innovative new product for interior bathroom and shower applications. Luxora provides a stylish, durable, easy-to-install and clean surface option for customers.

Ideal for those looking to enhance multiple spaces or embark on large-scale projects, Luxora is a cost effective solution to achieve consistency and design excellence in transforming all your bathroom and shower projects.

PERFORMANCE BENEFITS

Luxora panels are lightweight at just two pounds per square foot, making it easy to carry, cut, and install. They provide a swift installation method that minimizes product breakage, compared to other larger panels. Additionally, they can be installed over existing non-porous materials, providing a cost-effective solution perfect for renovations and mass-production projects.
